

Grace's online class was so popular, one of her students even sent her a poem...

By The Grace of..

ZDU has classes plenty;
Two, four, six, fifteen, twenty?
Time puts limits, so does space,
How do we say THANK YOU GRACE?

Do we salute your hard work'd staff,
Your loooong hours, twice by half?
Or do we look to futures new,
And just say Grace, Thank You!

Thank you Grace, and Grace's staff,
Thank you Students, for the laffs,
For questions that I could not phrase,
And Answers many came my way.

Thank you all
What more can I say?
